

Scarborough Theatre Guild announces that its 2019-20 season will be a "Directors' Choice" season. We invite all directors who would like to direct a specific play for the Guild to submit it to our play reading committee for consideration. Our season consists of 4 plays; at this time, we only require the name of the play and the playwright. If you are able to provide a script, that too would be appreciated.

We ask that you appreciate that we are a Community Theatre group with a relatively conservative core audience. Plays with excessive or gratuitous profanity, violence, sexual activity, etc. are discouraged.

Directors whose submitted plays reach our short-list of summer play readings will be invited to attend these read-through sessions and provide some insight as to their vision and speak to any casting or technical challenges they foresee.

To submit a play, please contact Len Henderson at 905 655-3605 or by e-mail at lenderson57@gmail.com. Submissions will close on May 15, 2018.

Scarborough Theatre Guild reserves the right to include plays of its own choosing in its 2019-20 season.
